the worktop. It is easier to clean and brings a modern, stylish look to your kitchen.

StayWarm

The StayWarm function keeps food at a constant temperature of 70°C until the time is right to serve the meal. The food retains its original flavour and temperature until it is served.

Timer

The countdown timer can be set for up to 99 minutes. If the optimum cooking time for a particular dish is known from experience, the timer can be set and the hob will switch off automatically when completed. A beep will signal that the food is ready.

StopGo

The StopGo function stops the cooking and continues with the same settings after being re-activated.

SimpleControl

Upgrade your cooking experience with the new touch per zone user interface on Gorenje hobs. With this innovative feature, you'll have precise control over each cooking zone, allowing you to cook multiple dishes at once with ease. The touch controls are intuitive and responsive, making it easy to adjust the heat levels and settings for each zone. And with a sleek, modern design, this hob is the perfect addition to any kitchen. Experience the ultimate in cooking control with the new touch per zone user interface on Gorenje hobs.
