

MEMORY MICRO SDXC 256GB SURV./02021- 001 AXIS

Model: 02021-001

Manufacturer: AXIS

EAN: 7331021070844

Product Code: 1232190

R8,645

AXIS Surveillance Card 256 GB is a high performing edge storage solution optimized for video surveillance. Edge storage enables flexible storage solutions such as de-centralized video recording and may eliminate the need of an onsite server, DVR or NVR. In applications with bandwidth limitations, live video can be viewed in low resolution, while high resolution video is recorded locally on AXIS Surveillance Card 256 GB. Combined with Axis Zipstream technology, even high resolution video can be recorded effectively local on AXIS Surveillance Card 256 GB, both for primary storage or as redundancy for failover recording in case of lost connections.

- Axis 3-year warranty; Health monitoring ready; Optimized for surveillance cameras; SD card adapter included

Summary: Axis 02021-001. Capacity: 256 GB, Flash card type: MicroSDXC, Internal memory type: UHS, Read speed: 100 MB/s, Write speed: 50 MB/s, UHS Speed Class: Class 3 (U3), Video Speed Class: V30. Product colour: White | Vendor Homepage: <https://www.axis.com/products/axis->
