

Shuttle CXP01 - Cable for external push button switch for PCs

Model: POZ-CXP01

Manufacturer: SHUTTLE

EAN: 4046047103119

Product Code: 1234708

R1,407

Some Shuttle XPCs have a handy connector at the back panel to connect an external power button. In case the XPC is installed in a scenario where it cannot be accessed directly, be it VESA-mounted or otherwise remotely installed, it can still be powered on or off conveniently by using an external push button switch. Shuttle therefore provides a 2-metre cable with fitting connections that only requires a push button switch.
