5060 Windows
11 Home Midi
Tower Black

Model: KOMACNGIP0657

Manufacturer: ACTINA

EAN: 5901443444718

Product Code: 1247977

R36,386

Internal components: ASRock B860 Rock WiFi 7 / NVIDIA GeForce RTX 5060 / Lexar NQ780 / ENDORFY Aquarius 8000 | Special features: The specification and description are for illustrative purposes only. | Bundled software: Bitdefender Internet Security | Safety warning: Do not open the computer case without disconnecting it from the power source. Avoid contact with water or other liquids. If the battery is damaged or spilled, avoid contact with the material and contact service

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices

may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or

typographical errors. We recommend checking the current information before purchasing.
