

ANMITE A140W05 14 Portable Monitor

Model: A140W05

Manufacturer: ANMITE

EAN: 6920233414686

Product Code: 1250753

R2,672

ANMITE A140W05 14" Portable Monitor

The ANMITE A140W05 14" portable monitor provides additional workspace and the convenience of using multiple devices, no matter where you are. It features a 14-inch IPS screen with a resolution of 1920 × 1200, a brightness of 350 cd/m², and viewing angles of 178°, ensuring the image remains clear and legible from various perspectives. 100% sRGB color coverage ensures natural colors, while USB-C and Mini HDMI ports allow for easy connection to laptops, computers, compatible smartphones, and select gaming consoles. Its slim design—just 1.2 cm thick and weighing only 0.6 kg—means the monitor fits easily into a bag and is ready for work, study, or entertainment anywhere.

Clear Image and Wide Viewing Angles

The monitor features a 14-inch IPS LED panel with a resolution of 1920 × 1200, providing a larger workspace than standard Full HD screens. With a brightness of 350 cd/m² and wide 178° viewing angles, you can comfortably use the monitor from various positions while maintaining good image clarity and natural color reproduction. With 100% sRGB coverage, the screen performs well for graphic design, photo editing, design work, and viewing multimedia content.

One Cable and Wide Compatibility

The monitor allows for quick connection to compatible laptops and mobile devices using a single USB-C cable, which also transmits the video signal. It also supports Mini HDMI connections, making it compatible with computers, laptops, and other devices equipped with an HDMI output. The manufacturer recommends using a USB-C PD power adapter with a minimum output of 30 W if the power supplied by the connected device is insufficient.

An extra screen for work and entertainment

This portable monitor serves as a second screen that enhances the convenience of working on a laptop, making it easier to use multiple applications simultaneously. It can also work with compatible smartphones equipped with a full-function USB-C port, allowing you to view content on a larger screen. According to the manufacturer's materials, the monitor is also compatible with Huawei EMUI PC and Samsung DeX modes, supporting extended operation with a keyboard and mouse.

Lightweight, Travel-Ready Design

The ABS plastic housing and a weight of just 0.6 kg make it easy to carry the monitor along with your laptop. The slim 1.2 cm profile makes it easy to transport, and the integrated stand with tilt adjustment allows you to quickly position the screen at a comfortable angle. It's a practical solution for remote work, business trips, and studying away from home.

VESA Mounting and Convenient Connectors

The monitor supports the VESA 75 × 75 mm mounting standard, allowing it to be mounted on a compatible wall or desk mount. Users have access to two USB-C ports, a Mini HDMI connector, and a 3.5 mm audio output. The device also features built-in stereo speakers, allowing you to play audio
