The Samsung UE65M70HAU is a sleek 65-inch LED-backlit LCD TV that delivers 4K UHD resolution for an impressive viewing experience. With Mini LED backlight technology and Supreme Mini LED Dimming, colors appear vivid and images remain sharp, perfect for movie nights or gaming sessions. The design features a 3 Bezel-less Design and MetalStream Design, adding a modern touch to any living space while providing an immersive viewing experience with minimal distractions. This smart TV offers a wide array of features including Adaptive Sound and Object Tracking Sound Lite, enhancing audio quality to complement the visuals. Connectivity options are abundant with three HDMI ports and support for Wi-Fi, Bluetooth 5.3, and LAN, ensuring easy connection to various devices. With compatibility for multiple streaming services, intelligent assistants like Google Assistant and Bixby, and innovative features like Apple AirPlay support, this model invites users to engage with their favorite content effortlessly.
