R18,551

The Samsung UE75M70HAU is designed to deliver an immersive viewing experience, featuring a 75-inch 4K UHD display with Mini-LED technology for enhanced brightness and detail. With a resolution of 3840 x 2160, this smart TV provides stunning visuals that bring content to life, whether streaming movies or playing video games. The Mini LED Dimming and Motion Xcelerator technologies ensure smooth motion and superior picture quality for all types of media. Adaptable sound features such as Object Tracking Sound Lite and Q-Symphony complement the visuals by delivering dynamic audio that matches the on-screen action.

Connectivity options are broad, with multiple HDMI and USB ports, LAN, and Bluetooth support, allowing for seamless integration with various devices. Enjoy Internet browsing and streaming through services like Samsung TV PLUS and Google Cast, making this TV a multimedia hub. The design, featuring a bezel-less finish and MetalStream structure, seamlessly fits into any space, enhancing your home décor while providing functionality.
