Product Code: 1252646

R12,837

Experience stunning visuals and immersive audio with the Samsung QE50QN70HAU television. Featuring a 50-inch 4K UHD display powered by Neo QLED technology, this television delivers vibrant colors and striking contrast with the Quantum Mini LED backlight and Supreme Mini LED Dimming. Picture enhancements such as Dynamic Black EQ and 4K Upscaling create a captivating viewing experience for movies, sports, and gaming, while the wide viewing angle ensures everyone in the room enjoys a clear picture.

The audio system complements the visuals with 20 watt output power and innovative features like Object Tracking Sound Lite and Adaptive Sound+. The television also supports modern connectivity options with three HDMI ports, two USB ports, and wireless capabilities, making it easy to share and access content. Smart features powered by Tizen OS, including web browsing and compatibility with Bixby, allow for a variety of entertainment options at your fingertips. The sleek AirSlim design makes it a stylish addition to any space, ensuring that this television enhances both your audiovisual
