The Samsung QE55QN80HAU television offers an immersive viewing experience with its 55-inch Quantum Mini LED display, delivering crisp 4K UHD resolution. Equipped with HDR technology, including HDR10+ Adaptive and Neo Quantum HDR+, this television enhances brightness and color for a vibrant picture quality. The AI Picture Optimization and 4K AI Upscaling work together to elevate visual clarity, while the 100 Hz refresh rate ensures smooth motion for fast-paced action. Audio quality is equally impressive with a 30-watt digital audio system featuring Dolby Atmos and Object Tracking Sound Lite, creating a more immersive sound field. The enhanced audio return channel (eARC) and Q-Symphony allow for seamless integration with soundbars. Smart features like built-in Bixby compatibility, Wi-Fi connectivity, and screen mirroring capabilities make accessing content easier. With support for HDR gaming features and multiple viewing modes, such as Game Motion Plus, this television caters to various entertainment preferences.
