R7,880

The Samsung UE43U8092HU is a 43-inch Smart TV designed to elevate the viewing experience with its 4K UHD resolution of 3840 x 2160. The television incorporates picture enhancement technologies such as Mega Contrast and PurColor, delivering vivid colors and deep contrasts for a more immersive experience. The sleek metal design and bezel-less display complement any room decor, making it a stylish addition to the home.

This model features an audio system with 20-watt output power, enhanced by Object Tracking Sound Lite and Adaptive Sound for a dynamic audio experience. The connectivity options include three HDMI ports, a USB port, and support for wireless features including Bluetooth and Wi-Fi, ensuring seamless media sharing and Internet access. Bixby provides convenient voice control, while the array of features, including screen mirroring and support for Apple AirPlay, enhances versatility and ease of use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
