Claria Photographic Ink

Claria Photographic Ink produces stunning photos that look better and last longer than those from the photo lab.

Print professional quality photos from high-resolution digital cameras

- Achieve a wider colour gamut and smoother gradations
- Quick-drying prints are water, smudge and fade resistant

Save money with individual inks

Epson's individual inks give you further savings as you only need to replace the colour used.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Convenient, cost-effective multipacks

Epson also offers ink multipacks - a convenient and cost-effective alternative to buying single ink cartridges.

Epson inks are optimised for Epson printers

Epson inks have been developed to work hand-in-hand with Epson printers to deliver crisp, smudge-proof text and vibrant photographic images that will last for generations. Genuine Epson inks are produced to stringent, high-quality standards that enable Epson to guarantee the optimum performance of the printer, ink and media.
