R889

Lanview SmartClick series is an Innovative collection of Cat6A patchcables. The SmartClick series features removable color-coding clips, which makes it much easier to color code configure your wired network. The cables are made with an TPE LSZH jacket, which gives you a much softer & flexible cable that are easier to work with. Furthermore we have added length marking on the plug, for easy length identification. The cables are Halogenfree and features the PoE up to 100W and are optimized for all kind of applications (Audio, Video and Data). The SmartClick clips comes in 8 different colors.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
