

LANBERG LAN cable SFTP cat.7 305m solid CU LSZH grey CPR fluke passed

Model: LCS7L-11CU-0305-S

Manufacturer: LANBERG

EAN: 5901969427646

Product Code: 1254105

R5,085

Discover the Lanberg bulk cable, a high-performance solution designed to meet the demands of modern networking. This CAT 7 cable is engineered with a solid American Wire Gauge (AWG) 23 and features HDPE conductor insulation, ensuring minimal interference and maximum data transmission speed. With a tested frequency of up to 600 MHz, it provides the bandwidth necessary for high-speed Internet connections, video streaming, and more. The PVC jacket material offers durability and protection, making it suitable for both indoor and outdoor use. Additionally, the cable includes length indication and has passed fluke tests, ensuring quality and ease of installation. Whether for home or office, this Lanberg cable ensures a reliable and efficient network setup.
