R22,179

The EW1703 Charging Cart allows you to easily secure, store and charge up to 16 Chromebook or notebook devices with up to 17” screens. It features an Intelligent charging system, shelves with flexible, durable device slots, a power supply/cable management system and best of all – it’s fully assembled for rapid deployment. Additionally, it features numbered device spaces and corresponding power supply spaces to optimize organization. The Cart also features vented doors with a 3-point key lock mechanism and the option to add your own padlock for extra security.
