

Microconnect PP-014 patch panel 1U

Model: PP-014

Manufacturer: MICRO CONNECT

EAN: 5711045540387

Product Code: 1257882

R2,823

The MicroConnect PP-014 CAT6 24-Port 19" Patch Panel is a high-performance solution for organizing and managing your network connections. Designed to fit standard 19-inch racks, this patch panel provides a centralized point for connecting all your CAT6 cables, ensuring a clean and efficient network setup. With 24 ports, it offers ample connectivity for small to medium-sized networks. Built with quality materials and adhering to European design standards, the PP-014 ensures reliable data transfer and minimizes signal loss. Benefit from MicroConnect's 20+ years of expertise in delivering pioneering connectivity solutions, providing you with a durable and dependable network infrastructure component that optimizes performance and simplifies network management.
