R757

Patch cable Econline, Cat.6, F/UTP, black, 3 m" from LogiLink Professional

LogiLink's Cat.6 Economic Line patch cables are ready for your high speed network up to Gigabit Ethernet. We have the EconLine Cat.6 Ethernet patch cables of many different lengths and colors. Since Cat.6 Ethernet components are backward-compatible with older network equipment (including Cat.3, Cat.5 and Cat.5E), LogiLink Cat.6 patch cables and cords integrate legacy components such as printers and computers.
