Microconnect MC-DP-2XHDMI not categorized

Model: MC-DP-2XHDMI

Manufacturer: MICRO CONNECT

EAN: 5715328073746

Product Code: 1258640

R1,131

Expand your display possibilities with the MicroConnect MC-DP-2XDP – a compact, high-performance MST hub that transforms a single DisplayPort into two HDMI outputs. Ideal for productivity or entertainment setups, it supports up to 4K @60Hz on a single display or 4K @30Hz on dual displays via MST. With a durable aluminum shell, 10 cm PVC cable, and advanced LT8712EXI chipset, it delivers reliable, high-quality video in a sleek, portable design. Compatible with Windows (MST) and macOS (SST), and supports DSC, HDR, and HDCP for stunning visuals.
