

UBIQUITI UDM-Pro-Max Dream Machine

Model: UDM-PRO-MAX

Manufacturer: UBIQUITI NETWORKS

EAN: 810084693254

Product Code: 1258664

R16,689

The Ubiquiti UniFi Dream Machine Pro Max is designed to meet the networking needs of both small and large-scale networks, combining high-speed connectivity with strong security features. It includes an integrated 8-port switch, dual WAN ports, and supports multiple Ethernet standards for reliable and versatile network connections. With a 5 Gbps IDS/IPS throughput, VPN support, and advanced encryption protocols, your data is well protected. The device is also user-friendly, featuring cloud-managed capabilities for easy configuration and management. Its durable aluminum/steel housing, along with high-capacity storage and memory, ensures reliable performance for any networking task. The Ubiquiti UniFi Dream Machine Pro Max is engineered to provide a secure, efficient, and scalable networking solution for both business and personal use.

Product Description: Ubiquiti UniFi Dream Machine Pro Max - gateway - desktop | Device Type: Gateway - 8-port switch (integrated) | Enclosure Type: Desktop | WAN Ports Qty: 2 | Data Link Protocol: Gigabit Ethernet, 10 Gigabit Ethernet, 2.5 Gigabit Ethernet | Performance: IDS/IPS throughput: 5 Gbps | Network / Transport Protocol: DHCP, WireGuard, L2TP, OpenVPN | Routing Protocol: IGMP | Remote Management Protocol: IPv6, DHCP | Features: Aluminium/steel housing, Quad-core CPU, Bluetooth management, 15KV ESD Protector (air-gap discharge), 8KV ESD Protector
