

GODOX LC500R MiNi Studio Light

Model: LC500R MiNi

Manufacturer: GODOX

EAN: 6952344233030

Product Code: 1275564

R3,902

GODOX LC500R Mini Studio Light

The GODOX LC500R Mini is a 45-cm-long RGBWW LED light, which generates a light intensity of up to 1,580 lux, offers color temperature adjustment ranging from 2,500 K to 8,500 K, and provides access to the full RGB color palette. Its compact size means it fits easily into a camera bag and is ready for use whether you're shooting in the studio, on location, on a film set, or during a live broadcast.

Freedom to Work in Any Conditions

Its lightweight design and detachable handle with an ergonomic, non-slip finish ensure a comfortable and stable grip when shooting handheld. When you need to illuminate a hard-to-reach spot, you can mount the light on a tripod or position it in tight spaces, giving you greater freedom to create creative shots. The modular design of the battery grip allows you to quickly swap out the battery and continue working without long interruptions.

Precise lighting tailored to every scene

The combination of daylight, tungsten, and RGB LEDs makes it easy to adapt the lighting to various conditions and create a unique atmosphere in photos and videos. A color temperature range from 2500 K to 8500 K makes it easy to match the light to ambient lighting or achieve the desired effect. The use of an optical lens delivers brightness of up to 1,580 lux, ensuring that even the compact design provides effective scene illumination.

Greater Creativity and More Convenient Control

The light offers 15 FX lighting effects, including effects that react to the beat of the music, helping to create a dynamic atmosphere during recordings, live streams, or video productions. The included barn doors allow you to quickly and conveniently control the lighting area, directing the light exactly where it's needed. Additional convenience is provided by the Godox Light app, which lets you remotely adjust lighting parameters without having to approach the light.

Included in the set:

- Studio light
- Directional barn doors
- USB-C cable
- Mount
