Your all-in-one CD music machine

Rock your tunes with the portable music-loving boombox that plays physical CDs in any format. You also get clear FM radio, steady Bluetooth streaming, USB playback and an audio-in port for other devices.

GRS-certified recycled plastic. Responsible packaging

We use post-consumer recycled plastics in our products, and our packaging is made from FSC-certified recycled cardboard with inserts printed on recycled paper.

Portable boombox-style CD player

Whether you're discovering the joy of physical CDs for the first time or all over again, this top-loading CD player is a great choice for casual listening. It can read any kind of CD format, and the

carry handle makes it easy to move around. Simply plug into an AC socket or insert six batteries (type R14 C) and take it outside.

Digital FM radio with up to 20 presets

When you want to embrace the music source that's been around longer than CDs, the FM digital tuner makes it easy to find radio programmes to love. You can set up to 20 presets for the stations you listen to frequently.

Easy wireless streaming via Bluetooth

Want to use this CD player as a portable speaker? Bluetooth® connectivity lets you stream sounds directly to the player from a compatible smart device, and Dynamic Bass Boost will rock your favourite basslines.

Connect to other sources via USB port and audio-in

For complete flexibility, there's also a USB port that lets you plug in a flash drive to enjoy your digital music collection. Or use the audio-in port to connect a turntable and play some records.

Integrated sleep timer

If you like to drift off to sleep with music, an audiobook or the radio playing in the background, you can set the sleep timer for 120, 90, 60, 30 or 15 minutes. The CD player will enter standby mode after that time has elapsed.
