R837

Cat.6A Slim High-Flex Patch Cable white, U/UTP, 0.15 m" from LogiLink Professional

Highly flexible CAT6A patch cord with extra short connectors and extra slim design reduces cable volume in server cabinets, improves airflow and reduces heat buildup. The soft TPE jacket and pure copper conductors provide maximum flexibility and material efficiency. Perfect for all connections up to 10 Gigabit Ethernet, it also provides reliable breakage protection for a long service life.
