Model: HS5561GL

Manufacturer: TARGUS

EAN: 1220000631281

Product Code: 1277803

R1,280

Overview

Designed specifically for MacBook Neo 13”, the HyperShield Clear Case delivers premium everyday protection in a slim, transparent form. Durable polycarbonate top and bottom panels help defend against scratches, scuffs, and daily wear, while reinforced TPU bumper edges provide up to 6ft/1.8m drop protection against knocks and accidental drops. The crystal-clear finish lets you showcase your MacBook Neo color and design while keeping it protected. Precision-engineered for a secure custom fit; it aligns cleanly around every edge, speaker, and port for seamless everyday use. Easy-access cut-outs ensure uninterrupted charging, audio, and device functionality, while the smooth wipe-clean surface helps keep your MacBook looking clean and professional at work, school or on the move.

Premium Clear Durability

Durable polycarbonate hard-shell design helps protect your MacBook Neo from scratches, scuffs, and everyday wear while keeping its original finish visible.

6-Foot Drop Protection

Reinforced TPU bumper edges help absorb impacts from accidental drops, knocks, and everyday bumps. This Hyper Neo Case passes rigorous MIL-STD 810G testing to ensure it can protect your iPad from drops up to 6 feet (or 1.8 meters).

Showcases Your Neo

Transparent design lets the colour and finish of your MacBook Neo stay visible while adding everyday protection.

Precision Custom Fit

Designed specifically for MacBook Neo 13” for a secure fit with precise alignment around every edge, port, and speaker.

Full Port Access

Precision cut-outs provide easy access to charging, audio, and all key device functions without removing the case.

Easy-Clean Surface

Smooth wipe-clean materials make it easy to keep your MacBook looking clean and professional every day.

Secure Snap-On Installation

Two-piece clip-on design installs quickly and stays securely in place through everyday use.
