

LANBERG PCU5- 20CC-0150-S Patchcord RJ45 cat. 5e UTP 1 5m Gray 10- Pack

Model: PCU5-20CC-0150-S

Manufacturer: LANBERG

EAN: 5901969422481

Product Code: 1277871

R728

The Lanberg patch cable is designed to provide reliable connections for various networking tasks, ensuring efficient data transmission. With its UTP technology and compliance with ANSI/TIA/EIA 568-B standards, this CAT 5e cable supports frequencies of up to 100 MHz, making it suitable for various applications. The cable features molded and snagless connectors, which prevent unnecessary tangling and damage during installation and use. Constructed with Copper-Clad Aluminium conductors and HDPE insulation, this cable boasts strength and durability. It comes packaged in a convenient string bag for easy storage and transport. The length indication feature allows for straightforward identification, providing added convenience for users who may require multiple cables in different lengths. Experience dependable performance with the Lanberg patch cable.
