

LANBERG

Patchcord Cat.6

FTP 3m grey 10-pack

Model: PCF6-20CC-0300-S

Manufacturer: LANBERG

EAN: 5901969436174

Product Code: 1277899

R800

The Lanberg patch cable offers reliable and fast connectivity for networking needs. Constructed with F/UTP technology, this Category 6 cable supports data transfer speeds of up to 10 Gbps, making it suitable for high-performance applications. It features shielded connectors and drain wire for enhanced shielding, ensuring reduced interference and signal degradation. The cable is made with Copper-Clad Aluminium, providing strength and flexibility, while the PVC jacket ensures durability for everyday use. With a tested frequency of up to 250 MHz, this cable is compliant with multiple standards, ensuring compatibility and quality in various networking environments.
