

LANBERG

Patchcord Cat.6

UTP 3m blue 10-pack

Model: PCU6-20CC-0300-B

Manufacturer: LANBERG

EAN: 5901969435931

Product Code: 1277910

R826

The Lanberg CAT 6 patch cable offers reliable performance for high-speed network connections. Designed with Copper-Clad Aluminium conductors and U/UTP technology, this cable can support data rates of up to 10 Gbps, making it suitable for home and professional networking environments. The HDPE insulation works to maintain signal integrity, while the stranded design enhances flexibility during installation and use. Complying with ISO/IEC 11801 Class D and ANSI/TIA/EIA-568-B standards ensures that this cable meets the necessary quality requisites for modern networking requirements. With a tested frequency of up to 250 MHz, users can expect efficient data transmission for various applications. The PVC jacket adds an extra layer of durability, ensuring that the cable stands the test of time under regular use.
