

ARMAC UPS Rack On-Line PF1 3000VA LCD 8x C13 Metal case dust free

Model: R/3000I/PF1/DF

Manufacturer: ARMAC

EAN: 5901969447019

Product Code: 1278583

R14,249

The Armac R/3000I/PF1/DF UPS is designed to provide reliable power protection with robust on-line technology. This unit has a power output of 3000 VA and an efficiency rating of 95.5%, ensuring consistent performance during critical moments. Equipped with multiple output connectors and an LCD display, users can easily monitor operations while benefiting from Automatic Voltage Regulation (AVR) and surge suppression for added security. Operating within a temperature range of 0 to 40 °C and with a humidity tolerance of 0 to 95%, this UPS is suitable for a variety of environments. An audible alarm alerts users to potential issues, and the removable dust filter aids in maintaining optimal performance. With a rapid 0 ms transfer time and a standard rack-mountable form factor, this unit integrates into many setups.
