

Battery charger for cylindrical Li- ion batteries 18650 Xtar MC2 PLUS

Model: MC2+

Manufacturer: XTAR

EAN: 6952918340744

Product Code: 1279651

R759

Compatible battery sizes: A, AA, AAA, AAAA, C, D | Operating temperature (T-T): 0 - 40 °C | Quantity: 1 | Width: 27 mm | Batteries included: No | Depth: 72 mm | Weight: 27 g | Compatible battery technologies: Nickel-Metal Hydride (NiMH) | Suitable for: Household battery | Compatible battery technologies: Lithium-Ion (Li-Ion) | Compatible battery technologies: Nickel-Cadmium (NiCd) | Output voltage: 4.2 V | Output current: 1 A | Height: 26 mm | Power source type: Power socket | Input voltage: 5 V | Number of batteries supported: 2 | Package type: Box | Product colour: Black | Warnings: Avoid contact with water and moisture. | Warnings: Do not disassemble the charger yourself. | Input current: 2.1 A | Warnings: Use only with suitable batteries.
