

Conceptronic AERIVA01W Mini Portable Fan

Model: AERIVA01W

Manufacturer: CONCEPTRONIC

EAN: 4015867244975

Product Code: 1284011

R1,027

The AERIVA01W Mini Portable Fan is designed to deliver reliable and convenient cooling wherever you go. Built for everyday portability, its lightweight and compact form makes it effortless to carry, fitting seamlessly into bags, backpacks, and on-the-go lifestyles.

With 3-speed fan control, users can easily adjust the airflow to suit their personal comfort needs, whether at the office, outdoors, or on the move.

Powered by a long-lasting battery, the Mini Portable Fan offers up to 8 hours of continuous runtime, ensuring all-day cooling without the need for frequent recharging. Stay refreshed from morning to evening without interruption.

Combining portability, control, and dependable performance, the Mini Portable Fan is an ideal solution for those who need reliable, on-demand cooling in a compact and travel-friendly package.
