

# Epson EcoTank L3352

Model: C11CL62426

Manufacturer: EPSON

EAN: 8715946745626

Product Code: 1285525

## R5,493

The Epson EcoTank L3352 offers a versatile solution for your printing, scanning, and copying needs. With its inkjet technology, this multifunction device provides print quality at high resolutions, achieving 5760 x 1440 DPI for both color and black-and-white prints. The refillable ink tank system reduces the cost of printing while supporting a duty cycle of up to 8,300 pages, ensuring more productivity with less maintenance. Its compact design makes it ideal for any office space, seamlessly integrating with your workflow without taking up too much room.
