

Sandberg Travel Charger PD65W Display

Model: 441-70

Manufacturer: SANDBERG

EAN: 5705730441707

Product Code: 1285691

R1,469

Sandberg Travel Charger PD65W Display is a compact travel charger that delivers up to 65W. It features a clear display showing the current charging power. With 2x USB-C and 1x USB-A, you can charge a laptop, tablet, and smartphone from the same charger. The total power is distributed among the connected devices. It comes with a fixed, foldable US plug and includes EU, UK, and AUS plugs for use worldwide. A practical and reliable solution for both everyday use and travel.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
