IsEasy T2V-01M ceramic/electric cooktop

The IsEasy T2V-01M is a sleek, dual-zone cooktop that provides excellent performance in the kitchen with minimal energy consumption. Equipped with one 1800-watt zone and a second 1200-watt zone, it is ideal for those looking for simplicity and efficiency in the kitchen. Thanks to its compact design, it will easily fit into smaller spaces, and its modern design blends seamlessly into any setting.

Match the power to the dish

With 9 power levels and a timer with a run time of up to 99 minutes, the IsEasy T2V-01M hob gives you full control over the cooking temperature. This allows you to precisely adjust the power to the type of food you are preparing - from gentle heating to intense frying. The timer provides convenience, allowing you to cook and take care of other kitchen tasks at the same time.
