MOVA Cleaning Kit - Accessories

The MOVA accessory kit for the S70 robot vacuum helps keep the device in good condition and maintain high cleaning performance. The set includes side brushes, two mop rollers, dust bags, two dustbin filters, and a universal floor cleaner. Regular replacement of consumable parts helps maintain optimal vacuuming and mopping performance, and the included cleaner facilitates effective removal of dirt from various types of surfaces. This kit is a practical solution for MOVA S70 users who want to ensure their robot operates reliably every day.

Included

- Side brushes x2
- Mopping rollers x2
- Dust bags x2
- Dustbin filters x2
- All-purpose floor cleaner x1
