

Microconnect MC-PCIEX1- 82576-Q not categorized

Model: MC-PCIEX1-82576-Q

Manufacturer: MICRO CONNECT

EAN: 5715328014602

Product Code: 1292806

R2,520

The Intel 82576 Quad-Port Gigabit Ethernet NIC is a compact and efficient network adapter designed for high-density server and embedded applications. Featuring the Intel JL82576EB chipset and a PCIe x1 interface, it provides four reliable Gigabit RJ45 ports for cost-effective and scalable networking over copper.
