ProArt PA401 Wood Edition Mesh Panel

Natural Elegance, Optimal Airflow

The ProArt PA401 Wood Edition showcases a wooden front panel that creates a distinctive, elegant style while promoting sustainability. The wood used is certified by the Forest Stewardship Council® (FSC®), and is finished using a six-stage process. The case also boasts optimal built-in cooling, with two 160mm front fans and one 120mm rear fan, along with an integrated fan hub, enabling optimal airflow.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
