The screen protection prolongs the lifetime of your phone so that one day you can pass it on to someone else who will love it just as much as you do. This is one way of working toward a more sustainable future. Another is to use less packaging: For this screen protector, we have managed to reduce the paper packaging by approximately 30%* compared to previous models. This product comes in a recyclable FSC™ -certified box.

The screen protector is Ultra-Wide Fit, meaning it covers the front surface of your phone, providing a complete and crystal-clear view of your screen, while still leaving a little room around the edges for a SAFE. by PanzerGlass™ case. If you want 360-degree phone protection, combine the screen protector and case with a PanzerGlass® PicturePerfect camera lens protector.
