

ARCTIC Freezer i35 RGB - Tower CPU Cooler for Intel with RGB

Model: ACFRE00096A

Manufacturer: ARCTIC

EAN: 4895213703437

Product Code: 1299246

R2,018

Our assortment of CPU coolers for AMD and Intel is available in a broad range, from the low-cost Alpines to the high-performance Freezer series. And, in addition to potent air coolers and silent passive blocks, the high performance Liquid Freezer AIO water cooling series is available for the most demanding users. Every CPU cooler comes with the ideal ratio of high cooling performance to extremely low noise levels.
