

LENOVO Thunderbolt4 USB-C to C Cable 1m

Model: 4X91U94412

Manufacturer: LENOVO

EAN: 195892141587

Product Code: 1299321

R1,006

The Lenovo Thunderbolt cable offers a connection ideal for high-resolution displays and rapid data transfer. With support for 8K at 60Hz, this cable caters to video enthusiasts and professionals who require clear image quality. It is engineered for speed with a data transfer rate of up to 40 Gbps, ensuring quick file transfers and seamless device connectivity.

This cable is designed with versatility in mind. It facilitates fast charging of up to 240W, making it a reliable choice for powering devices efficiently. With convenient features like overvoltage protection and hot plugging compatibility, the Lenovo Thunderbolt cable prioritizes safety and ease of use in various environments. Suitable for operating temperatures between 0°C and 40°C and a humidity range of 8% to 90%, this cable adapts to different conditions, assuring functionality in diverse settings.
