Patch cable SlimLine, flat, Cat.6A, U/FTP, black, 20 m" from LogiLink Professional

LogiLink's high quality Cat.6A flat and slim patch cords are ideal for installation in data-centers and other places with limited space. This high flexible patch cable provides also plenty of ventilation space for network rack components, while improving the look of your wiring setup when installed in plain view. It is ideal for network adapters, hubs, switches, and patch panels where space or cable flexibility is an issue.
