

Epson EcoTank L3356

Model: C11CL62412

Manufacturer: EPSON

EAN: 8715946741277

Product Code: 1300951

R5,511

The Epson EcoTank L3356 is an all-in-one multifunction printer designed to meet the diverse needs of both home and office environments. This printer, copier, and scanner combination is equipped with advanced inkjet technology, ensuring high-quality prints at a maximum resolution of 5760 x 1440 DPI. With a printing speed of up to 33 pages per minute for black and white and 15 pages per minute for color, this versatile machine efficiently handles a variety of tasks, making it a reliable choice for busy users. Its innovative ink tank system allows for easily refillable ink bottles, reducing the cost per page and enhancing productivity by supporting a high duty cycle of 8300 pages for black and white and 6500 pages for color prints.

Equipped with various connectivity options, the L3356 features Wi-Fi, USB, and compatibility with mobile printing capabilities such as Apple AirPrint and Epson Smart Panel. This allows for seamless printing from smartphones and tablets, ensuring convenience and flexibility. The printer also supports multiple media types and sizes, accommodating everything from plain paper to glossy photo paper, making it suitable for a range of printing needs. With a focus on security, it includes protocols like WPA3-SAE and AES to protect wireless connections, providing peace of mind while printing sensitive documents.
