R6,305

ROG Ergo Monitor Arm AAS01 – A monitor mount that features cable management channels, allowing gamers to create a more ergonomic, neater gaming setup.

FREEDOM TO MOVE, FREEDOM TO GAME

WILL IT FIT YOUR MONITOR?

ROG Ergo Monitor Arm is designed for compatibility with a wide range of monitors. It can handle up to 39-inch* monitors, supporting flat monitors with a maximum weight of 23.35 pounds (11.5 kg) or curved monitors weighing up to 18.74 pounds (8.5 kg). The arm also works with the VESA 100 x 100 mm mount.

*Screen size based on internal testing of ROG monitors.

FULL RANGE OF MOVEMENT

The mechanical spring system of the ROG Ergo Monitor Arm allows for smooth, effortless
