R2,282

EcoFlow DELTA Max XT150 cable (connecting an additional battery)

Our universal cable allows you to seamlessly connect your EcoFlow WAVE 2 air conditioner to a range of EcoFlow's power stations and additional batteries, providing extended runtime. It is compatible with DELTA Max, DELTA 2 and DELTA Max supplemental battery models. For owners of DELTA Pro and DELTA Pro Extra Battery models, we offer the possibility of connecting with an additional EcoFlow DELTA Pro adapter to the Smart Generator.
