

Tracer 44883 Screamer

Model: TRAMIC44883

Manufacturer: TRACER

EAN: 5907512854280

Product Code: 1303233

R701

A multimedia multi-direction microphone with high sensitivity and a broad frequency range. It is a perfect solution for conferences and studying foreign languages. A flexible design allows to set up the microphone in all positions. The microphone features a power-off switch for added convenience.

Technical data

Sensitivity: 55dB $\pm$ 3 dB

Impedance (Ohm): 2.2K

Transfer band (Hz - kHz): 50 - 16

Noise reduction: Yes

Volume control: Yes

Adjustment of device inclination angle: Yes

Cable length: 2 m

Connection type: 3.5 mm jack

Type: Desktop / Tripod microphone | Connectivity: Wired | Wired connection: 3.5 mm mini jack |

Frequency range: 50 Hz - 16 kHz | Impedance (Ω): 2200 | Sensitivity: 55 dB $\pm$ 3 dB | Cable length (m): 2 | Color: Black
