Product Code: 1306054

R2,410

The Lanberg WF01 Series rack offers a reliable solution for those needing a robust mounting option. Designed to accommodate a range of equipment, this installation cabinet features a flat pack design that allows for easy transport and storage. It includes essential components such as a grounding cable, mounting bracket, M6 screws, front door lock, and side locks, ensuring a seamless setup experience. With a perforated front door and vented top panel, airflow is maintained, helping to keep equipment cool during operation. This 19-inch rack has a height of 9 rack units and can support a weight limit of up to 60 kg, making it suitable for various applications. Crafted from cold-rolled steel with a thickness of 1 mm, durability is assured. The rack complies with multiple standards, ensuring reliability in installation and use. Easy to mount on walls, the Lanberg WF01 Series rack is ideal for
