

DJI POWER 100W Foldable Solar Panel

Model: CP.DY.00000205.01

Manufacturer: DJI

EAN: 6937224131668

Product Code: 1307449

R4,408

IBC POWER 100W Foldable Solar Panel

The IBC Power 100W foldable photovoltaic panel is an efficient and portable power source that, when folded, takes on a compact form comparable to a laptop (246 × 364 × 30 mm). This makes it convenient and hassle-free to transport. The use of N-type TOPCon cells with a conversion efficiency of up to 24.8% allows for the efficient conversion of solar energy, ensuring a stable power supply under various conditions. Weighing approximately 3.19 kg, the design is easy to carry, and its IP67-rated water and dust resistance allows you to use the panel without worry, even in changing weather conditions. Additionally, the split support stand allows for quick one-handed setup, which significantly improves usability in the field.

Included in the set:

- Solar panel
- Support stand x2

Manufacturer	IBC
Manufacturer code	CP.DY.00000205.01
Power	100 W
Conversion efficiency	Up to 24.8%
Dimensions when unfolded	728 × 1035 × 3.2 mm
Dimensions when folded (without support)	246 × 364 × 30 mm
Weight	Approx. 3.19 kg
Operating voltage	18.1 V
Operating current	5.5 A
Open-circuit voltage	21.9 V
Short-circuit current	5.9 A
Operating temperature	-18°C to 70°C
Protection rating	IP67
Compatibility	DJI Power 1000 Mini (requires an MC4 cable to charge the DJI Power 1000 Mini station from solar panels) DJI Power 2000 / DJI Power 1000 V2 / DJI Power 1000 (requires the DJI Power 1.8kW Solar/Car Super Fast Charger or the DJI Power Solar Panel Adapter Module (MPPT) with an MC4 solar charging cable to XT60 DJI Power) DJI Power 500 (requires the DJI Power Solar Panel Adapter Module (MPPT) with an MC4 solar charging cable to XT60 DJI Power or a DJI Power power cable from a car outlet to SDC (12V/24V) with an MC4 solar charging cable to XT60 DJI Power)

GPSR Link: https://psr-assets.innpro.pl/energy/sg_energy_power_stations.pdf, Gross weight: 4780,

Net weight: 3190, Box length: 41,00, Box width: 32,50, Box height: 16,00, test: Składany panel
