PGYTECH aluminum housing for Insta360 X5 camera

The PGYTECH Aluminum Case for Insta360 X5 combines durability with practicality, providing not only solid protection for the camera, but also comfort. Quick installation, full access to all buttons and ports, and compatibility with numerous accessories make it the ideal solution for anyone who wants to realize the full potential of their camera in harsh conditions and during dynamic recordings.

Robust aluminum protection

Made of durable aluminum alloy, the housing guarantees reliable protection against mechanical damage and scratches, while maintaining a lightweight design ideal for dynamic applications.

Access to all camera functions

Full metal bezels surround the camera, while precise cutouts allow free use of the buttons, battery and microphone openings. The top cutout prevents signal interference, so recording quality remains top-notch.

Support for accessories

The case is equipped with side expansion ports for connecting various devices. The sturdy base supports Insta360's quick-mount system and 1/4" side and bottom mounts, ensuring full compatibility with your equipment.

Extra protection

You'll find a silicone lens cover included to protect the lens from dust and scratches. The special design effectively reduces wind noise while driving, ensuring clear sound in every shot.

Included

- aluminum housing
- lens cover
- wind noise dampening foams x4 (2 mounted, 6 pieces total)
- user manual
