Slim & Glossy

Be true. The Galaxy A35 5G Clear Case highlights your device's original colourway while encasing it in a slim, glossy layer of anti-scratching protection.

Supreme transparency and clarity

The external appearance of your phone will stay intact under the transparent case thanks to a scratch-resistant coating applied to both the inner and outer surfaces. The camera lenses are encased in a laser-sanded island layout for clean aesthetics.

Decorate your device

It's yours to style up. The Clear Case displays your device's original colourway while giving you the space to customise your phone with various stickers.
