

Braun 0X17900008 contact grill

Model: 0X17900008

Manufacturer: BRAUN

EAN: 8021098002549

Product Code: 1307853

R8,221

Enjoy professional level results and precision performance for breakfast, lunch, dinner and snacks. Experience the unlimited versatility that the smart combination of three types of plates and three cooking positions gives you on Braun’s largest cooking surface.* You’ll love the speed and efficiency of 2200 watts of power via the embedded heating elements for faster cooking and the precision of the integrated thermoprobe. And if you’re serious about searing, the Sear Button sends the grill to 265°C to form a rich brown crust that amplifies the flavour of any cut of meat.

*27% larger than MultiGrill 7.

Unlimited versatility

Due to the smart combination of three sets of different plates and three flexible cooking positions you can enjoy unlimited versatility. Experience perfect grilling results for breakfast, lunch, dinner and snacks.

Dishwasher safe

The non-stick plates as well as the drip tray are all dishwasher-safe which makes cleaning nice and simple.

Integrated thermoprobe

Thanks to the single degree precision of the integrated thermoprobe you can enjoy your favourite meat grilled to perfection from rare to well done.
