

EPSON EcoTank L3360 MFP ink printer color 11ppm

Model: C11CL63409

Manufacturer: EPSON

Product Code: 1308164

R6,309

The Epson EcoTank L3360 is designed to streamline all your office tasks with its multifunction capabilities. This efficient printer, copier, and scanner supports a range of media types, including plain, photo, and envelopes, making it versatile for various printing needs. With an intuitive LCD display and user-friendly interface, it ensures smooth operation for anyone in the office. The L3360 has a duty cycle of up to 6500 pages, allowing it to handle large volumes without frequent interruptions for maintenance or ink replacements.

Connectivity is made easy with options for USB, Wi-Fi, and mobile printing through Epson Connect, Epson Email Print, Epson Remote Print, and Apple AirPrint. The printer's wireless capability allows seamless integration into any workspace, while the Wi-Fi Direct security protocols ensure secure printing directly from mobile devices. Featuring Epson's Micro Piezo Heat-Free technology, the L3360 delivers print quality with a maximum resolution of 5760 x 1440 DPI, suitable for both professional presentations and vibrant photo prints.
