R14,904

Experience stunning visuals and immersive sound with the BenQ GV50, a versatile portable projector that enhances any cinema experience. With a native resolution of 1920 x 1080, this projector supports Full HD content, delivering crisp and vibrant images. Its brightness of 500 ANSI lumens ensures that presentations and movies are clear, even in ambient light. Additionally, enjoy 5.1 channel surround sound from the integrated speakers and subwoofer, providing a dynamic audio experience to complement your visuals. The GV50 comes equipped with a variety of connectivity options, including HDMI, USB-C, and Bluetooth 5.0, enabling seamless integration with multiple devices. This makes streaming from popular services convenient and easy. Plus, features such as game mode and auto focus enhance your viewing experience. With a lamp life of 20,000 hours, the
