True 8K Streaming

ZenWiFi AX Mini puts your WiFi into top gear! With a total bandwidth of up to 1800 Mbps, it's up to 1.4X faster* than WiFi 5 routers

Flexible Network Naming

Uniquely, ZenWiFi lets you choose how you name your WiFi networks: a single name for everything, or separate names for each frequency band. The choice is yours!

Easier-than-ever Setup

What makes ZenWiFi AX Mini setup so easy?

- One-time setup, with auto synchronization for all the hubs in each package
- At a glance: You must start setup using the router, which is the unit with a removable clear plastic strip wrapped around it.

Make the Internet a Safer Place for Everyone

AiProtection Classic with Parental Controls is free for life. It gives you total peace of mind, and you can keep an eye on everything that's happening on your network via the mobile app.

Smart Looks for Smart Homes

ZenWiFi AX Mini works perfectly with smart-home services — including Alexa skills and IFTTT — and is available in charcoal or white to suit your décor.

AiMesh Technology

Easy setup. Flexible management.

Even non-experts can quickly set up AiMesh technology, while more experienced users will appreciate the comprehensive advanced networking features.
